Radio Broadcasting Services; Littlefield, Wolfforth and Tahoka, TX

AGENCY: Federal Communications Commission.

ACTION: Proposed rule; withdrawal.

SUMMARY: This document denies a petition for rule making by 21st Century Radio Ventures, Inc., requesting the reallocation of Channel 238C3 from Littlefield to Wolfforth, Texas, and the modification of the construction permit of Station KAIQ (FM) to specify Wolfforth as Station KAIQ (FM)'s community of license. See 60 FR 32933, June 26, 1995. The proposed reallocation was denied because retaining the allotment at Littlefield would provide a second aural reception service to 3,113 persons, which outweighs a first local transmission service to Wolfforth (population 1,941). With this action, this proceeding is terminated.
